

What we ask. What we don't.

Plain-English information for parents and guardians of under-18 entrants.

WHAT IT IS

What it is

School Summit Innovator is a national innovation competition for students aged 15–19. Your child enters an idea solo or as part of a team. Entries are judged by industry. Finalists pitch at the National Final.

TIME COMMITMENT

Time commitment

Most students spend 2–4 hours per week during the cycle, in their own time. The school is informed and the school's Teacher Champion is the named contact.

SAFEGUARDING

Safeguarding

We have a Designated Safeguarding Lead (named at schoolsummit.com/safeguarding) and a published Safeguarding Policy. All adults involved in mentoring or judging are subject to safer-recruitment checks.

PHOTOGRAPHY AND VIDEO CONSENT

Photography and video consent

Photos and video at events are opt-in per student. We ask separately and you can withdraw consent at any time. No identifying images of under-18s are published without your written consent.

WHAT WE COLLECT

What we collect

We collect the minimum: your child's name, school, year group and an email for account recovery. We never share contact details with sponsors or third parties without consent. Full detail at schoolsummit.com/privacy.

YOUR RIGHTS

Your rights

You can access, correct or request deletion of your child's data at any time. Email privacy@schoolsummit.com.
